ANY TIME IS ALFRESCO TIME

COMMUNITY RETAIL WITH A HEART FOR NEIGHBOURS, REGULARS & BUDDING FAMILIES

A refreshed retail concept in a freehold masterplan to be introduced to the mature Subang Jaya community.

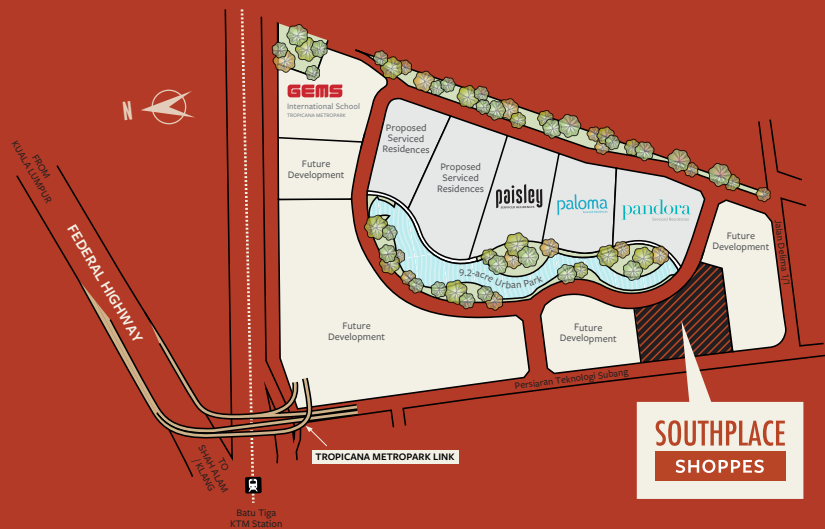

.....

Tropicana Metropark unites urban lifestyle and the great outdoors by offering high-rise residences and an international school that encircle a designed lake park.

The arrival of SouthPlace Shoppes, Tropicana Metropark's first retail destination, is both timely and highly anticipated as the community matures along with rapidly growing commercial demands of its surrounding towns.

We maintain a vibrant balance among convenience, sophistication and society, perfect for the gradually evolving needs of working professionals and young families.

The core of our existence is to recreate the good old days, where everyone is a neighbour and every place is a second home.
